For a dry, hacking cough, two or three times a day take a little pinch of salt, let it dissolve slowly on the tongue and then swallow.

Another: Take five cents' worth pulverized licorice extract and ground flaxseed; mix together, put a little in a cup, add strained honey to sweeten well, steep in hot water till licorice is dissolved. Take a good dose of it as often as the cough is troublesome. It is a sure, safe, speedy relief. Try it once.—*J. W. Foote.*

There is no doubt about the honest worth of Ayer's Sarsaparilla as a blood purifier. Thousands, who have been benefitted by its use, will attest its virtues. This remedy cures liver and kidney complaint, and eradicates every trace of disease from the system.

Time Locks

When the clock has run down or when it has run so long as to be unlocked without reference to the time to which it was set— Then unlock the door, and pull out arm that carries the bolts. and the bolts will stand with the door open— as they would be if the door was shut & locked— Then raise the lever and the lock is all right—

Copy Letter to Mansfield Apr 14. 1866.

Dear Sir. Some time during the month of February last I wrote you in reply to yours of Jan. 12. In which I referred to several matters of interest to me, and as you have not acknowledged its receipt, I thought possibly it had not come to hand. Do write again - I will here say that I may have caused you some anxiety in not acknowledging the check inclosed by the above named letter, sooner than I did, but there were circumstances that prevented my doing so. Among the Notes I sent you for collection were three of James C Holmans Jan 1-2-3 years each for $26.64/100 No reference was made to them in your letter, but you mentioned as having collected on account of "Barren Lands" from Geo Findley Principal 136.95 Interest $10.95/100 I desire to know what you have done about collecting the Notes of Holeman, and of Findley Notes are same you have held for the benefit of the Barren Lands, I came to the conclusion that they could not be one and the same thing as the amounts of the Notes would not be the same - You no doubt can explain the matter - You mention having collected as follows - Selvin Linsten Just payment of Prin. & interest $160.80 Please state

the balance due me on the three
notes I sent you. There is an other matter
I referred to, which was, the charge of
ten percent for collecting the empey.
Which seemed to me very large
under the circumstances, It is not
usual in massachusetts to make that
charge except in desperate accounts.
You will please call to mind
that under date 2 Jan. 1888 you
wrote me that Notes of Sarah Burke
Jos. Burke, Geo. Briley, and Peter Colson
had been fully paid Nov. 23d and
asked me to surrender the notes and
you would forward the amount in
full at once. The 23d of November was
the day, the one your notes were due
I had not asked that the 2 + 3 your
notes be paid, but consented after you
wrote me, that I would do so. As they
came of their free will and paid
these notes, you were not to any espe-
cial trouble in the matter. They were
bound to pay the notes due, at the bank
without any expense to the payee
Therefore I asked you to reconsider the
matter of charges. and trust you will
do so. You will please remember that
I am not associated with the other heirs of
the Barren lands. I bought those notes out
and out and paid their face value - probably
you were not aware of that, so united the
two interests in your statement. when
making the account of payment to me.
It is true I am attorney for my son &
daughter, W P. Dipsey & wife for sale of the remain-
-ing lands. There was an other matter that
I called your attention to, and asked that
you would collect the expense of Protesting
those notes - As the matter now stands I
lose all the interest (1 year) two percent of
the principal & eight dollars expense of
protest. I trust you will at your earliest
convenience kindly refer to these matters by
letter, and also the amount of taxes d

and am paid on balance of unsold lands -

Yours very truly.
J. D. Defrees

P.S. Please send receipt for the unpaid notes which I have sent you

Yours truly.
